Throughout the school year, K-5 students will participate in learning opportunities guided by the NC Standard Course of Study in Language Arts, Mathematics, Science, and Social Studies. Aside from core subjects, K-5 students will also participate in Dance, Theatre, Physical Education, Music, Library Science, and STEM instruction.

Assessments will be given throughout the year to guide day to day instruction. Data will be shared with parents/guardians during parent teacher conferences, included in mid-quarter reports, and presented in quarterly report cards.

During the school year, K-5 students will take a variety of assessments. Teachers, Support Staff, and Administrators are available to help parents/guardians understand assessment data. See the descriptions for the common assessments administered at Moss Street Partnership School.

*Formative Assessments: formal assessments in Reading and Math to monitor progress and assist teachers’ planning for instruction.

*Beginning of Grade (BOG 3)-3rd grade only: assesses reading for all students in grade 3.

*End of Grade (EOG) Assessments-grades 3-5: measure student performance on NC State Standards.

*WIDA for English Language Learners: screener used for initial identification and English as a Second Language (ESL) program placement.
